What is the Strategic Planning Process?

The Strategic Planning Process is a way for our school district and our community to come together to plan for the future education for our children. The outcome of the process will be a set of objectives, and the strategies to achieve those objectives to provide our children with the best education possible.

The process will address the unique educational challenges, School District resources and capabilities, and values of the Bayfield community.

Who should participate in the Strategic Planning Process?

We would like to encourage all Bayfield community members to consider participating in the strategic planning process. We would like to have representation for School District Staff, Students, Alumni, Parents, Business Owners, Residents without children in the schools, Civic Group members, and/or any other community member who is interested in helping shape the future of our children's education.

What kind of time commitment will be required to help with the Strategic Planning Process?

We understand that your time is very valuable. We will try to choose dates and times for meetings and planning sessions to minimize conflicts with busy schedules.

Participation will require 2 full Saturdays in January and February, and a few short meetings throughout March and April.

How can You find out more about the Strategic Planning Process?

Information about the strategic planning process can be found on the Bayfield School District web site at the following internet address:

<http://www.bayfield.k12.co.us/bayfield-strategic-plan/>

You can also attend one of the Community Informational Meetings on December 17th or January 9th. See the back page for important dates and times.

How Can You Help?

We need a diverse group of representatives from the Bayfield community to participate in the strategic planning process. Please attend one of the "Community Informational Meetings" on December 17th or January 9th to learn more about how you can help. See the back page for important dates and times.
